

SUBJECT: Invitation to Contribute to *Religions* Journal Special Issue “Exploring Atheism”

Dear Colleague,

The open access journal *Religions* (ISSN 2077-1444, indexed in A&HCI and SCOPUS) is pleased to announce an upcoming Special Issue, titled **Exploring Atheism**. We will be serving as the Guest Editors for this issue.

Given your expertise on this topic, we would like to cordially invite you to contribute an article to this Special Issue. For more information on the issue, please visit the Special Issue website: https://www.mdpi.com/journal/religions/special_issues/exploring_atheism. Please note that invited papers receive a 50% discount on the open access fee, and it may be possible to waive the fee in some cases so don't let that dissuade you from contributing!

Papers may be submitted from now until 31 January 2022, as papers will be published on an ongoing basis. Submitted papers should not be under consideration for publication elsewhere. If you would like to contribute, please email one of the guest editors no later than 1 September 2021 with a title and abstract.

We hope this invitation receives your favorable consideration, and look forward to our future collaboration!

Best wishes,
